DEPARTMENT PRESIDENT

‘Enhancing the Lives of our Veterans, Military and their Families, One Day at a Time ’

(President’s Theme)

The American Legion Auxiliary, Department of Wisconsin, is an active body of the National American Legion Auxiliary, which was founded in 1919. The Department of Wisconsin received its Charter in 1921 and incorporated in 1946. (Public Law – Sec.188.08)
PREAMBLE TO THE CONSTITUTION OF THE
AMERICAN LEGION AUXILIARY

For God and Country, we associate ourselves together for the following purposes:

To uphold and defend the Constitution of the United States of America;

To maintain law and order; to foster and perpetuate a one hundred percent Americanism;

To preserve the memories and incidents of our associations in all wars;

To inculcate a sense of individual obligation to the community, state and nation;

To combat the autocracy of both the classes and the masses;

To make right the master of might;

To promote peace and goodwill on earth;

To safeguard and transmit to posterity the principles of justice, freedom, and democracy;

To participate in and contribute to the accomplishment of the aims and purposes of
The American Legion;

To consecrate and sanctify our association by our devotion to mutual helpfulness.

MISSION STATEMENT

In the spirit of Service, not self, the mission of the American Legion Auxiliary is to support
The American Legion and to honor the sacrifice of those who serve by enhancing the lives
of our veterans, military, and their families, both at home and abroad. For God and Country,
we advocate for veterans, educate our citizens, mentor youth, and promote patriotism, good
citizenship, peace and security.

VISION STATEMENT

The vision of the American Legion Auxiliary is to support The American Legion while
becoming the premier service organization and foundation of every community providing
support for our veterans, our military, and their families by shaping a positive future in an
atmosphere of fellowship, patriotism, peace and security.
FOREWORD

The purpose of the Wisconsin Red Book is to guide unit, county, district and department officers and program chairmen in carrying out the mission of the American Legion Auxiliary.

The Wisconsin Red Book provides contact information for department headquarters, officers and Auxiliary program committee members; guidelines for unit organization; department program information; ALA Department of Wisconsin Constitution, Bylaws and Standing Rules; and a calendar of activities. Information contained in the Wisconsin Red Book is available on the department website at www.amlegionauxwi.org.

The Wisconsin Red Book should be used in conjunction with the Unit Guide Book and the Department Operations Guide. Information contained in these publications is posted on the national website at www.ALAforVeterans.org.

The Department of Wisconsin provides various ways for our members to receive information to learn how we support our mission through “service not self” efforts.

- Unit Mailings are offered to each unit president and posted on the department website. These mailings contain information from the Department President and Executive Secretary-Treasurer, program updates, senior/junior conference materials, and much more.
- The Wisconsin, the American Legion Auxiliary department publication, is located inside the Badger Legionnaire and contains current information on programs and functions.
- The department website (www.amlegionauxwi.org) contains a wealth of program information, on-line forms, updates on department and national functions, and links to other American Legion Family state and national websites.
- The department Facebook page American Legion Auxiliary Dept of WI contains pictures and stories about our events.

The American Legion Auxiliary Enhances the Lives of our Veterans, Military and their Families, One Day at Time, through our support and partnership with TAL family. Let us continue spreading words of encouragement, and kindness to our fellow unit members, working together, towards our mission; For God and Country, we advocate for veterans, educate our citizens, mentor youth, promote patriotism, good citizenship, peace and security.

Maggie Geiger  
Department President, 2023-2024

INCORPORATION

Under the Wisconsin Statutes, Section 188.08, a duly chartered unit of the American Legion Auxiliary may incorporate under the laws of Wisconsin. If a unit is incorporated, it cannot have liabilities levied against it in excess of its assets. Incorporation offers protection to the unit members in as much as the unit members are not individually responsible for the payment of any liability.

It is recommended that every unit be incorporated. There is no charge for incorporation. If your unit is not incorporated, contact Department Headquarters for proper forms and procedure. Once a unit has been incorporated there are no further requirements.

CONSTITUTION AND BYLAWS

Each unit, when receiving its Charter, automatically adopts the Department Constitution and Department Bylaws. The unit shall draft its own Bylaws covering rules pertinent to local situations. Unit Bylaws can in no way be contrary to the Department or National Constitution and Bylaws.

The adoption and regular review of Bylaws should be a standard practice of every unit. Units shall submit a copy of their Bylaws to Department Headquarters after each update for compliance review. Units may contact the Department Constitution and Bylaws Chair for further direction or assistance with specific situations.

All unit members should be familiar with the unit’s Bylaws and Article VII of the Department Bylaws, which addresses Unit Organization.

Bylaws are composed of Articles and each has a title. Separate rules under each Article are called sections. The following suggestions are given as an aid to units in writing or amending their Bylaws.

BYLAWS

Article I – Name
Article II – Unit Officers, elected or appointed (see Department Bylaws, Article VII)
Article III – Duties and Powers of Officers
Article IV – Unit Meetings
   Section 1. When and where held
   Section 2. Quorum
Article V – Elections
   Section 1. When and how elected
   Section 2. Installation
   Section 3. Vacancies and how filled
Article VI – Financial Responsibilities
   Section 1. General and Rehabilitation Funds
   Section 2. Financial Audit
Article VII – Committees
   Section 1. Executive
   Section 2. Standing
   Section 3. Special
Article VIII – Amendments
Article IX – Authority
   Section 1. The rules of procedure of the Department shall be those set forth in the current edition of Roberts Rules of Order Newly Revised except as otherwise expressly stated herein.
   Section 2. The authority under which all departments, districts and units of the American Legion Auxiliary shall function is vested in the National Constitution and Bylaws and in such Standing Rules as have been duly adopted and set forth in the Unit Guide Book of the American Legion Auxiliary. Any provision of any department, district or unit constitution or bylaws or any regulation of any department, district or unit in conflict with the foregoing authority shall be void.
STANDING RULES

Each American Legion Auxiliary unit has certain flexible policies which have come into practice either through custom or by action of the unit. These shall not be included in the Bylaws but should be compiled as Standing Rules for unit officers, chairmen and members.

A SUGGESTED OUTLINE:
Convention and Conferences
Determine if unit delegates to Department Convention should be elected or appointed. Establish an allowance for delegates to Department Convention and District Spring Conference. It would be wise to establish a policy regarding reports that the delegates would be required to give after attending the event.

Donations
List the policy of donations to local organizations and to department projects.

Dues
Dues amounts must comply with Department and National governing documents. It is recommended that the unit’s Standing Rules state that membership dues shall be assessed to cover the national and department portions or that a specific dollar amount will be collected for the unit’s portion of dues above the national and department portions.

Hospitality
At meetings, refreshments, etc.

Poppy Program
Twenty percent (20%) of profits are required to be sent to Auxiliary Department Headquarters. If poppy distributions are held jointly with The American Legion Post, divide the net profits after 20% of the total donations are sent to Auxiliary Department Headquarters.

Veterans Affairs & Rehabilitation and Children & Youth
List duties of the Veterans Affairs & Rehabilitation and Children & Youth chairmen.

Miscellaneous
Past Presidents pin or gift to outgoing Unit President.
Colors (flags) to Department Convention, funerals and other occasions.
Memorial gifts and sunshine gifts.
Duties of other chairmen.

INSTRUCTIONS TO UNIT PRESIDENTS

You are entrusted with the success of the year’s programs within the unit. May that challenge and the desire to serve God and Country make the year a most satisfying and rewarding experience.

The duties of the unit president as the presiding officer and other officers and chairmen are clearly outlined in the Unit Guide Book of the American Legion Auxiliary, which may be ordered from Legion/ Emblem Sales. The Wisconsin ALA “Red Book” contains additional guidelines for the unit president, secretary, treasurer, and program chairs. A Red Book is sent to each unit president at no cost; additional copies may be ordered from Department Headquarters using a supply order form.

1. Ensure all officers and committee appointees are members in good standing before installation and ratification (current year’s dues must be paid).
2. Submit a Unit Officers Form listing correct addresses and telephone numbers to Department Headquarters immediately after the unit election each year.
3. Ensure unit bylaws comply with the national and department organization’s bylaws.
4. Review the unit mailings from Department Headquarters to assist with planning unit meetings. It is the Unit President’s responsibility to read the unit mailings in a timely manner and share information with all unit members. Articles that pertain to specific programs should be given to the respective chairmen. Current and previous unit mailings are posted on the Auxiliary’s website (www.amlegionauxwi.org) for reference by all members.
5. Attend county, district and department meetings and encourage others to do so.
6. Encourage members to read the American Legion Auxiliary *Wisconsin* included with The American Legion’s *Badger Legionnaire* publication. An informed membership will be your greatest asset.
7. Study the ALA Unit Guide Book carefully. It addresses questions regarding membership eligibility, transfer and reinstatement of members; provides information on Auxiliary programs; and offers suggestions on resolving conflict. The unit should own the latest edition, which can be ordered from the Emblem Sales catalog, 1-888-453-4466 or www.emblem legion.org, or downloaded from the national website (www.ALAforVeterans.org).
8. Familiarize yourself with the instructions for secretaries and treasurers.
9. Plan the budget early (see Unit Guide Book).
10. Consider publishing a unit yearbook; list officers, committees, programs, etc.
11. Create a culture of goodwill. Unit disputes should be settled within the unit after careful consideration. If a satisfactory decision cannot be reached, an appeal should be made to the County President; if the matter cannot be settled by the County, that matter should be referred to the District President; only if the matter cannot be settled by the County or District should an appeal be directed to the Department President. In cases where an opinion or ruling of the Counsel General is desired, the request must go through the Department Secretary who will refer it to the National Secretary who will submit it to the National Judge Advocate.
12. Relinquish all Auxiliary materials and records to the succeeding officers and chairman at the close of term of office.

Every Auxiliary President should have the following materials on hand to assist in carrying on Auxiliary programs:

1. Copies of all mailings from county, district and department. These contain essential information and references needed throughout the year.
2. Department Red Book: Unit Presidents receive one free copy; additional copies may be purchased from Department Headquarters or downloaded for free from the department website.
3. A current copy of the Department Constitution, Bylaws and Standing Rules (included in the Department Red Book).
6. A copy of each issue of the Wisconsin and national Auxiliary magazine.

Other materials that may be beneficial for the Auxiliary President to review:

1. Unit Directory (a booklet or pamphlet containing names of unit members, committees, rules and regulations, officers and past officers).
3. American Legion Auxiliary program brochures.
5. From The American Legion Department Headquarters: Americanism Program/Scholarship Poster and brochure of County Youth Government Day.

Programs involving school or community cooperation should be started early in the year. Reports may be given monthly with special emphasis on the program of the month. These periodic reports will help with the completion of an accurate and prompt annual report. Emphasize the need for each chairman to keep accurate records to pass on to the incoming chairman the next year.

Enthusiasm, early planning plus work equal success and satisfaction. Orderly meetings, well-organized programs plus enough variety to appeal to all ages equals a contented unit. Growth is essential. Membership should be incorporated into all programs and projects throughout the year.
INSTRUCTIONS TO UNIT SECRETARIES

The Unit Secretary is the recording officer of the unit and the custodian of its records, except those specifically assigned to others, such as treasurer’s books.

Duties:
1. Keep a written record (minutes) of all the meetings of the unit.
2. Keep all committee reports on file.
3. Keep an official membership roll and call the roll when it is required.
4. Make minutes and records available to members upon request.
5. Notify officers, committee members and delegates of their election or appointments, furnish committees with whatever documents are required for the performance of their duties, and have a list of existing committees and their members available at each meeting.
6. Maintain record books in which Bylaws, special rules of order, Standing Rules and minutes are entered, and have these records on hand at every meeting.
7. Send the members a notice of each meeting and take care of the general correspondence of the organization.
8. In the absence of the President and Vice President, call the meeting to order and preside until the election of a temporary chairman.
9. Be responsible for proper completion of membership applications and transmittal forms unless this duty has been assigned to another person.

Records:
When records are received from committees, the Secretary should record the date they were received, what action was taken and file. Any member has a right to examine the minutes of the unit at a reasonable time and place. When a committee requires records for the performance of its duties, the Secretary should turn them over to the committee chairman. When there is doubt, the President should be consulted.

Minutes:
All regular unit and committee meeting minutes should be recorded, dated and filed for the life of the unit. Minutes should contain only a record of what was accomplished at the meeting and should never reflect the Secretary’s opinion. When minutes are read or distributed at the meeting, the presiding officer should ask if there are any corrections. If no corrections are noted, the presiding officer may state that “Minutes of the meeting on (date) are approved as read (or distributed).”

Contents:
1. Name of unit.
2. Kind of meeting: regular or special; date, time and place of meeting.
3. Names of the persons who acted as President or Secretary in their absence.
4. Statement of approval of minutes of previous meeting, including the date of the meeting.
5. Record motions, giving the wording in which each motion was adopted or lost (with a brief statement as to how the motion may have been debated or before disposition), and the name of the mover. It is not necessary to record the name of the person seconding a motion.
6. All points of order and appeals, whether sustained or lost, together with the reasons given by the chair for ruling.
7. When a count of votes has been ordered or the vote is by ballot, the total number of votes cast and results should be entered.
8. When a committee report is of great importance, the President can order it entered in the minutes.
9. The name and subject of a speaker can be given but remarks should not be summarized.
10. The hour of adjournment.
11. Minutes should be signed by the Secretary. The words “Respectfully Submitted” are not essential in signing the minutes.
INSTRUCTIONS TO UNIT TREASURERS

The Unit Treasurer shall handle all funds of the unit, including dues from members, and make remittance of department and national dues and special funds to department headquarters. Cash should never be sent through the mail.

Duties

The treasurer should issue a receipt for all monies received and provide a financial statement regularly to the unit. The financial statement should be referred to the auditor(s) or Auditing Committee according to the requirements in the unit bylaws.

1. All funds of the unit derived from membership dues, Past Presidents Parley dues, fundraising projects, or any other income source, belong in the unit treasury and shall not be kept in a member’s personal bank account.
2. All bank accounts of the unit treasury should be opened with the unit’s federal Employer Identification Number (EIN).
3. It is recommended that all bank accounts have two or more authorized signers and current signature cards are maintained at the bank.
4. Authorized signers on unit accounts should never sign a blank check.
5. Accurate, detailed records of every financial transaction should be maintained. Payments should only be made upon proper authorization by the unit.
6. If the treasurer handles the transmittal of dues to department, follow the instructions carefully.
7. Financial obligations to the department fall into two classes: mandatory and optional.
   a. Mandatory
      i. Dues - Senior & Junior Membership; dues are not refundable.
      ii. Bonding fee, paid every three years.
      iii. 20% Poppy Profits, paid annually.
   b. Optional
      i. Donations

Processing Payments to ALA Department Headquarters

1. Checks should be payable to ALA-Wisconsin unless designated to ALA-M. Louise Wilson Educational Loan Fund, ALA-Past Presidents Parley, ALA-Badger Girls State, or WALA-State Bowling Association.
2. Checks should be mailed to ALA-Wisconsin, PO Box 140, Portage, WI 53901.
3. Do not mail cash.
4. Enclose one check for each membership transmittal.
5. Enclose one check for all donations and supplies. Include appropriate donation or supply form with payment for accurate distribution.
6. Department will charge a $25.00 administrative fee for checks returned by the bank.

Unit Transmittal Forms

Membership transmittals should be completed by the Unit Membership Chair and sent to department headquarters weekly with a check payable to ALA-Wisconsin.

Donation Remittance Forms

Updated forms are sent to the unit presidents each year. When sending donations for various projects, units should use the most current donation form indicating what project the donation is for. Donation forms may also be downloaded from the department website (www.amlegionauxwi.org).

Unit Supplies

Department headquarters will only inventory unit supplies listed on the current Unit Supply Form. Other supplies may be ordered directly from Emblem Sales (www.emblem.legion.org, 1-888-453-4466).

Membership Supplies

Many membership supplies can be printed for free from the department website, including transmittals, member benefits sheets, new member and PUEL applications, and member change forms. Junior certificates can be downloaded and personalized for free from the Junior Activities page of the national website. Other brochures may be picked up from department headquarters or ordered by using a current membership supplies order form and paying postage rates as indicated.
Unit Bonding (Mandatory)
Per National Bylaws, Article VIII, Section 6: All persons handling funds of the unit shall be bonded by a reputable, solvent bonding and surety company; or shall be covered by fidelity/crime insurance in an adequate amount as determined by the unit. The national organization procures a fidelity bond for all units. Districts and County Councils are not covered by the bond.

The national organization provides the bonding and automatically invoices department for every unit. Department issues an invoice through the unit mailing every three years when the bonding fee is due. This fee is mandatory. The current cost is $17.50 from May 1, 2022 through April 30, 2025. Unit Treasurers should contact department headquarters if they are unsure if the bonding fee has been paid.

The current limit of coverage for unit officers is $10,000 with a deductible of $250 per claim. The fidelity bond covers loss through larceny, embezzlement, theft, forgery, misappropriation, willful misapplication, or any other act of fraud or dishonesty caused by a member of the ALA if that person’s manifest intent is to cause the Auxiliary unit to sustain a loss and for personal gain. Coverage does not apply when the insured has knowledge that a member has committed any fraudulent or dishonest act in the service of the insured and does not cover mysterious disappearance or burglary.

Internal controls are recommended to help prevent losses and provide more reliable financial data.

1. Bylaws should provide for a monthly or quarterly financial report from the treasurer.
2. Bylaws should provide for an annual audit and specify how such audit is to be made.
3. Receipts should be issued for all money received and matched to the bank deposit.
4. All bills should be paid by check.
5. Blank checks should never be pre-signed.
6. Two or more authorized signers should be on file for all banking accounts.

If you need to file a bond claim, notify department headquarters immediately.

State Sales Tax Exemption
Effective July 1, 2018, qualified purchases for Veterans Service Organizations are exempt from state sales tax under section 77.54(9G), WI Stats. Food and alcohol, and items purchased to prepare them, are not exempt if the food/beverage is for resale. ALA units whose tax exempt status has been revoked by the IRS for failing to file the annual IRS Form 990 do not qualify for sales tax exemption. To obtain the sales tax exemption, the unit and the seller must complete Wisconsin Department of Revenue (DOR) Form S-211. This form is available from the DOR website: https://www.revenue.wi.gov/DORForms/s-211f.pdf. An example of how to complete the form is posted on the department website, under Program Info>Finance.

Federal Tax Exemption - 501(c)(19)
Exemption from federal income taxes is granted to the American Legion Auxiliary National Organization. Units, counties and districts fall within the national organization’s Group Exemption Number and are tax exempt under Section 501(c)(19) of the Internal Revenue Service Code unless the unit, county or district has had its exempt status revoked by the IRS, or the unit, county or district has been granted its own tax exempt status as evidenced by a unique Letter of Determination from the IRS.

Important Tax Information for Units, Districts, County Councils
ALA units and departments are separate entities that operate independently as affiliates of the ALA national organization. The ALA national bylaws were amended at the 2012 National Convention to establish Districts/County Councils (D/CCs) as intermediate bodies between units and departments.

Administratively, a D/CC is part of a Department. D/CCs are federally tax exempt under the ALA national organization’s Group Exemption unless its tax exempt status has been revoked or the D/CC has obtained its own tax-exempt status with the IRS. Units and D/CCs must annually report income to the state and federal governments. Upon request, units and D/CCs are required by law to make the tax form available for public inspection during regular business hours at the organization’s principal office or at a reasonable location if there is no office.
Units and D/CCs that have maintained their exempt status by complying with IRS requirements are in good standing and are tax exempt under the ALA national organization Group Exemption Number (GEN) 0964. Any unit or D/CC that fails to file the required IRS tax forms for three consecutive years will automatically lose its tax-exempt status as of the filing due date of the third year. Units and D/CCs that have had their tax-exempt status revoked by the Internal Revenue Service (IRS) for failure to file, or in some instances due to IRS error, are encouraged to initiate appropriate steps to regain tax exempt status.

Units and D/CCs must file tax reports with the IRS every year by the 15th day of the 5th month after the close of the organization’s tax year. For example, organizations whose fiscal year ends December 31st must file by May 15th; organizations whose fiscal year ends on September 30th must file by February 15th. IRS Form 990N (e-Postcard) may be used when a unit or D/CC has gross receipts of $50,000 or less. Units and D/CCs must file IRS Form 990EZ or Form 990 when their annual gross receipts are greater than $50,000. A unit or D/CC whose gross receipts are $50,000 or less, and whose tax-exempt status has not been revoked, may request the Department Secretary to file the 990N e-Postcard on its behalf. Units should consult a professional tax accountant or attorney if they need further assistance or guidance.

**Recommended Reinstatement Process of Tax Exempt Status**

If an ALA unit or D/CC has had its exempt status revoked by the IRS, it is the responsibility of the unit or D/CC to handle the matter directly with the IRS since it is separately incorporated and has its own Employer Identification Number (EIN).

1. Units and D/CCs should contact the IRS at (toll-free) 877-829-5500. This IRS group is specially trained in tax exempt issues and should be able to answer questions and give direction to resolve the issue.

2. Units and D/CCs may confer with a tax attorney or CPA/tax accountant.
   a. If tax exempt status is desired, units and D/CCs may retain a tax attorney or CPA/tax accountant knowledgeable in not-for-profit tax matters and exemptions to review the situation and handle reinstatement of tax-exempt status.
   b. Revoked units and D/CCs have the option of being a taxable entity. If a unit or D/CC loses its tax-exempt status and chooses to remain a taxable entity, the unit or D/CC must file the appropriate annual income tax forms with the IRS and notify donors that donations are not tax-deductible.

3. If a tax attorney, CPA or tax accountant’s review of the details regarding tax exempt status revocation determines that the revocation was due to IRS error, the unit or D/CC may send documentation that supports the error to ALA National Headquarters, Attention: Compliance Division. The ALA National Headquarters staff will forward the documentation disputing the IRS error to the National Judge Advocate for review and appeal assistance when appropriate.

**Not-for-Profit Corporation**

Incorporation provides legal protection for an organization by limiting the liability of the individual members of the organization. The American Legion Counsel General strongly recommends incorporation. The act of incorporating as a not-for-profit corporation does not confer tax exempt status. A not-for-profit corporation may exist and operate according to the purpose of its articles of incorporation without being tax exempt. If a not-for-profit corporation loses its tax-exempt status, it may continue its operations; however, it must pay appropriate annual federal, state and local taxes, and donations it receives are not tax-deductible to the donor.

**Use of ALA Name and Trademark**

Units, counties and districts are permitted by the national organization to use the name and trademarks of the American Legion Auxiliary. ALA national headquarters must approve the use of the ALA emblem to ensure compliance with legal requirements. Requests to use the ALA emblem must be submitted in writing. See “Use of the American Legion Auxiliary Emblem” section in this Red Book for details.
INSTRUCTIONS TO UNIT MEMBERSHIP CHAIRMEN

Eligibility for membership in the American Legion Auxiliary is determined by The American Legion. At the 2019 American Legion National Convention, delegates voted to replace the word “wife” with “spouse” in their constitution and bylaws, opening up membership in the American Legion Auxiliary to male spouses of U.S. veterans and service members. Therefore, membership in the American Legion Auxiliary is now open to the grandchildren, mothers, sisters, spouses, and direct and adopted female descendants of members of The American Legion or veterans who served during eligible war eras, and to women who of their own right are eligible for membership in The American Legion.

The LEGION Act, signed into law on July 30, 2019, established two war eras for membership eligibility:

- WWI: April 6, 1917 to November 11, 1918
- WWII to Present: December 7, 1941 to Present

If an applicant applies for membership through the service of a veteran who is living, the veteran must be a current member of The American Legion. A woman who joins the American Legion Auxiliary under her brother cannot claim eligibility for her daughters or granddaughters.

**Women Eligible through Their Own Service:** A woman who has a DD214 stating an honorable discharge from the armed services is eligible for Auxiliary membership. A woman eligible in her own right does not need to be a member of The American Legion. However, neither her female relatives nor her spouse may join the Auxiliary through her unless she joins The American Legion.

**Two Classes of Membership**

1. Senior membership shall be composed of members who are 18 years and older. If a member is under the age of 18 years but married, the member shall be classed as a senior member.
2. Junior membership shall consist of females under the age of 18 years. Upon reaching the age of 18 years, junior members shall automatically be admitted into senior membership with full privileges. The voting age of 18 years for members of the ALA was adopted at the National Convention in Boston in October 1930.

Every applicant for membership in the Auxiliary must complete an individual membership application as proof of eligibility. Membership applications may be completed in paper form or online. When a member joins online, the member is automatically placed into Department Headquarters Unit 2930.

**NOTE:** On questions regarding membership, consult the Unit Guide Book, which can be ordered from the Emblem Sales catalog, 1-888-453-4466 or www.emblem.legion.org, or downloaded from the national website (www.ALAforVeterans.org).

**Post Adjutant/Officer Membership Verification:** The application must be signed by the Post Adjutant or other Post officer to verify the veteran’s membership in The American Legion or service dates if the veteran is deceased. If the unit has no Post, submit the application to department headquarters for signature by the Department Adjutant. The only exception to this is if the new member is a female veteran joining the Auxiliary under her own eligibility, then the Unit Secretary may sign and date the application.

**Eligibility through Deceased Veterans:** When a person applies for Auxiliary membership through the relationship of a deceased veteran, it is considered that satisfactory proof of the veteran’s service was established when the Post Adjutant or other duly authorized officer examined and certified the records and documentary evidences of the deceased veteran and based upon this certification declared the applicant eligible for membership in the American Legion Auxiliary. The deceased veteran’s name must be shown on the application blank in the space provided. Copies of the service record or honorable discharge should not be sent to department headquarters.

Family members may request service records of deceased veterans from the Adjutant General, State Capitol of the state in which the veteran enlisted. If the veteran enlisted in Wisconsin, you may contact: The Adjutant General, State Capitol, Madison, WI 53701. Family members may also contact The American Legion Service Office at the Zablocki VA Medical Center or their local County Veterans Service Office for service information.

28
Application Forms

Complete the application in its entirety, indicating if eligibility is through a deceased veteran family member, Legion membership, or a female veteran’s own military service. All application forms and transmittal forms should be printed legibly in ink or typewritten and application must be signed in ink. Members joining under the new eligibility periods may write “Legion Act” in the war era section if the time period during which the veteran served is not listed.

Applicants are required to sign their own application blanks, except in the case of a junior member too young to sign her own name or a person physically unable to write. In either case, the person who signed for the applicant must place their signature below that of the applicant, so department knows who is responsible. There is no age limit for Auxiliary membership, but members under the age of 18 are classed as junior members, unless married. Junior members must provide their birth date.

All applications for senior and junior members must:

1. be dated.
2. be signed by the applicant, or parent/guardian if a minor child.
3. include the applicant’s complete mailing address and zip code.
4. include the complete name of the veteran, and if living, also include the post number and location of where they are a member.
5. be signed by the Legion Post Adjutant or another officer of the Legion Post after verifying eligibility.

If application forms are returned, they should be corrected and returned to department headquarters as soon as possible. If applications are returned because of ineligibility, the individual may try to establish eligibility through another relative or the unit should inform department headquarters that the individual is not eligible for membership.

Lapsed or Previously Dropped Members:

When a member does not pay dues for one or more years, the member must either pay back-dues or prove present eligibility. If the member is lapsed for a year or two, the unit should verify eligibility still stands and submit the member’s dues on a Members’ Dues Payment form like any other renewing member. If the member has been dropped or has a lapse in membership of greater than two years, the unit should verify the individual is still eligible, complete a Member Change Form checking the “rejoin” box, and submit it to department headquarters with dues and the Members’ Dues Payment Form on which the member is listed.

Transfer Procedure

A member transferring to a new unit must pay the current year’s dues to either the member’s current unit or to the unit into which the member wishes to transfer. A transferred member shall be credited to the unit that secured the dues until December 31st of the current year. Transferred members shall not be counted towards membership awards in the new unit until they have paid their membership dues to the new unit.

An officer of the new unit should complete the transfer information on a Member Change Form and send it to Department Headquarters. If the member’s current year’s dues have not been paid, the new unit should collect the dues and submit them with the Member Change Form.

Membership Dues

Units must forward $34.00 for each senior member and $5.25 for each junior member to department with a Members’ Dues Payment Form for the current membership year.

Members’ Dues Payment Forms

Membership is paid for the calendar year (January through December). Members’ Dues Payment forms should be completed by the Unit Membership Chair and sent to department headquarters on a weekly basis with a check payable to ALA-Wisconsin. All information should be printed legibly. The check should equal total dues for all junior and senior members listed on the payment form. Payment forms may be completed online on the department website or ordered from department headquarters using a Membership Supply Order form.

Completed applications and dues for new members must be accompanied with a Members’ Dues Payment form. A member cannot be processed if the application is missing or incomplete. Units waiting for the Adjutant or Post Officer to sign an application, should send the new member’s dues and application with the next transmittal form.
Back Payment of Dues
Submit a Past Dues Transmittal Form with the member’s ID number and name. On the front, indicate what year the member is paying for.

Address Changes
It is important that all members receive the Wisconsin publication and national magazine. Be certain names and addresses are listed correctly on the rosters when they are received from national. Submit a Member Change Form to department headquarters to correct any errors.

Leadership Assistance
If a unit has difficulty getting current members to attend meetings or finding members to serve as unit officers, they are encouraged to contact the Department Leadership Chair for assistance.

What does membership entitle you to?
1. A membership card and a copy of the unit’s bylaws.
2. Various discounts for eyewear, hearing aids, etc. with proof of membership. See the member benefits sheet on the department or national websites for details.
3. Eligibility for emergency assistance through the Auxiliary Emergency Fund (AEF) after three years of continuous membership.
4. Eligibility to receive interest-free loans to pursue higher education through the Education/M. Louise Wilson Educational Loan Fund.
5. The Wisconsin, the Department’s bimonthly newspaper, which is included with The American Legion’s Badger Legionnaire publication.
6. The national Auxiliary magazine subscription and other publications.
7. The chance to proudly wear the ALA emblem or membership pin. Pins may be purchased from Emblem Sales.
8. The opportunity to attend meetings, conferences, conventions, seminars and classes; to provide valuable volunteer services; and to fulfill your leadership desires with other members of a patriotic service organization dedicated to veterans, the military and their families.
9. Members who have paid their current year’s dues are eligible to represent the unit as a delegate or alternate at department convention if elected at a unit meeting called for that purpose.
10. There are opportunities for each member of a veteran’s family: The American Legion, American Legion Auxiliary, Sons of the American Legion, and American Legion Riders.

Paid-Up-For-Life (PUFL) Membership – paid by member
Any member in good standing is entitled to apply for PUFL membership. Applications are available from department headquarters. The national constitution and bylaws gives every member the right to be a PUFL member.

Circle the appropriate fee on the fee rate chart located on the back of the PUFL application according to your age and unit dues and place the amount in the blank provided. Unit secretaries must complete a portion of the application to verify membership status and provide other unit information. Make checks payable to the National Treasurer in the appropriate amount and send the check and application to national headquarters. PUFL members are transferable from unit to unit.

Honorary Life Membership (HLM) – paid by Unit
Units may give honorary life membership to members who have given outstanding service to the American Legion Auxiliary unit. HLMs are not transferable between units, nor do they receive membership renewal notices. The unit is responsible for paying dues annually for HLMs.

Honor Guards (Shields)
Proof of continuity of membership in the American Legion Auxiliary in 5-year increments from 5 to 90 years entitles the member to wear a special Honor Guard or Shield, which can be ordered from the Emblem Sales catalog, 1-888-453-4466 or www.emblem legion.org. Honor Guards may be worn by members whose dues have been paid prior to January 31st each year for consecutive years.
INSTRUCTIONS TO UNIT CHAPLAINS

Because the American Legion Auxiliary is non-sectarian, all prayers and services should take into consideration that people of all faiths may be present. An Auxiliary Chaplain’s book of prayers is available from the Emblem Sales catalog, 1-888-453-4466 or www.emblem.legion.org. or downloaded from the national website (www.ALAforVeterans.org).

The duties of the Unit Chaplain are to pronounce the invocation and benediction at Auxiliary meetings and to perform such other acts as requested within the office as spiritual leader of the unit. Memorial services should be conducted annually for deceased members. The charter should be draped to honor and respect a deceased member. Let the loved ones of the departed know that the American Legion Auxiliary cares by offering a kind word or deed and prayers. Visitations by the Chaplain to the ill, bereaved, homebound or nursing care patients are encouraged. In addition, units are encouraged to implement the POW/MIA Empty Chair Program at all meetings.

INSTRUCTIONS TO UNIT HISTORIANS

Write the Unit History with pride, as a written history will be an inspiration to the future leaders of the unit. The Unit History is the story of members, activities and accomplishments written in a simple and concise manner. If you want to build a better future, do not lose sight of the past. Record today, for tomorrow it will be history. History rules are listed in the History Program Engagement Plan.

USE OF AMERICAN LEGION AUXILIARY EMBLEM OR BRAND MARK

Written permission is needed to use the American Legion Auxiliary emblem or brand mark on any printed products that are not purchased through Legion Emblem Sales. Request forms are available on the department website (under Forms). Requests for approval must include a description of the product (with picture, if available), quantity to be ordered, name of the vendor/manufacturer, name of vendor’s contact person, address, phone, and email address. Completed forms and pictures should be emailed to the Department Secretary, who will obtain permission from the national organization. Permission is given for one-time use only. Each time an item is reordered, permission must be requested again. This applies to all programs. Last year’s permission does not apply to this year’s project!

GRAVE MARKERS

Written permission is needed to engrave the American Legion Auxiliary emblem on gravestones. Contact the Department Secretary for a request form. Upon completion of the form, the Department Secretary will forward the request to the national organization for approval. Deceased members must have had the current year’s dues paid to be eligible to engrave the emblem on their gravestone. If the Auxiliary member is not yet deceased, the member must be a PUFL member or maintained continuous membership in the American Legion Auxiliary for 20 years or more, not necessarily with the same unit. An alternative to engraving the emblem on a gravestone is to purchase a grave marker or grave marker flag from Legion Emblem Sales.
UNIT YEAR-END REPORTING

AMERICAN LEGION AUXILIARY PROGRAMS MAKE A DIFFERENCE! The success of all Auxiliary programs depends upon our unit chairmen and members. A written annual report form must be completed and submitted each year to document the unit’s activities. Please keep accurate accounting of the money, material goods, and hours expended in your work and check the Annual Report Form for deadlines.

To compile impact numbers that truly tell the world what the American Legion Auxiliary does, we need all members to report their service to their unit, and for each unit to submit a report to their district president, who then reports the information to department. The ALA Impact Report is a simplified report, consisting of numbers, dollars and hours. When completing the annual Impact Report, please report “best-estimate” numbers that encompass whatever ALA mission-related activities were completed. Unit treasurers can track donations or dollars used for mission-related activities. It is important to report contributions and activities that support the efforts of our international organization.

An online worksheet may be downloaded from the National website (www.ALAforVeterans.org) to help members and units keep track of service hours throughout the year. This report can be copied to share with members who prefer to track hours on paper. If you are unsure of how many or where to count hours, use your best judgment; just be sure to only report numbers one time in one place.

If you want to report an activity for which there is no impact category listed and you believe the activity serves the mission, include the information on the ALA Annual Program Narrative Report to describe what you did. Stories, pictures, newspaper clippings, flyers, and other ALA mission-related activities are important and should be submitted to the appropriate program chairmen. The narrative does not need to be complicated. It can be as simple as listing what you did in each program or you may attach additional pages and pictures.

Units and members are encouraged to send special stories and photos throughout the year of how you carried out the mission to ALAmagazine@ALAforVeterans.org.

ALA IN THE KNOW

The purpose of ALA in the Know presentations is to engage and educate the American Legion Family. Every year, sessions are presented throughout the state, hosted by a local unit, county and/or district. All sessions present the same basic information with the flexibility to emphasize areas that are of interest to members in attendance. Breakout sessions and networking are a key component of the program. Wi-Fi service is needed to maximize the effectiveness of the presentations. Feedback about upcoming topics and members’ requests are welcomed to improve this learning experience. It is the goal of the committee to present the program in as many areas throughout the state as feasible. Units, counties and/or districts interested in hosting an ALA in the Know presentation are asked to contact the ALA in the Know Chairman.

AMERICANISM

The purpose of the Americanism program is to inspire, recognize, and perpetuate responsible citizenship through education and acts of patriotism, as well as raise awareness and increase appreciation of the price paid for our fundamental freedoms. The program includes increasing flag etiquette awareness in communities, awareness and participation in youth activities that promote proper respect for our flag and loyalty to our country, and promoting Auxiliary participation in The American Legion Americanism programs.

Units should be active in promoting Flag Day, Americanism in schools, Veterans in Community Schools, study of the U.S. Constitution, observing patriotic holidays, ALA Badger Girls State, scouting, the Americanism Essay Contest, and history of the Pledge of Allegiance. Units are urged to participate and assist with The American Legion programs such as American Legion Baseball, American Legion Softball, Badger Boys State, the Oratorical Contest, Wisconsin American Legion Law Enforcement Career Academy, and Junior Shooting Sports.

Further information is available through the unit mailings, the Wisconsin publication, the District and Department Chairmen, and postings on the department website (www.amlegionauxwi.org) or the national website (www.ALAforVeterans.org).
AMERICAN LEGION AUXILIARY BADGER GIRLS STATE, INC.

The purpose of American Legion Auxiliary Badger Girls State (ALABGS) is to provide a unique educational opportunity for young women that instills the basic ideals and principles of American government through citizenship training programs.

ALABGS is a nonpartisan program that teaches young women responsible citizenship, the election process, and civic duty. These young women learn government by creating the mythical state of Badger through the election of public officials on local, county and state levels; carrying out the duties of these respective offices; and living together as self-governing citizens with the duties, privileges, and responsibilities of citizenship in a representative form of government.

ALABGS is NOT a recreational program. Participants should come prepared to apply themselves diligently to the program as it is established. Girls will not be excused from any part of the ALABGS session. Full time participation is needed in order to gain the fullest knowledge of the projects being presented and to fulfill their obligation to their sponsors.

Sponsorship: ALABGS is a program sponsored by the American Legion Auxiliary, Department of Wisconsin. Any branch of the Wisconsin American Legion Family (Units/Posts/Squadrons/Riders), civic organizations, service clubs, businesses, or school groups may sponsor delegates to the ALABGS session. Delegates should be encouraged to give a report to the sponsoring organization after completing the session.

Reservation Form: Information on ALABGS, including a reservation form, is mailed in the Fall to all units and widow posts. SAL squadrons or Legion Riders groups should contact ALA department headquarters if they are interested in receiving information. Any Legion Family group considering sponsorship of delegates to ALABGS should complete and return the form to Auxiliary department headquarters by the deadline with a check for the delegate fee(s) payable to ALABGS.

Fee: The ALABGS Committee sets the fee for the new ALABGS session. The fee covers all meals, lodging, use of the facilities, and essential ALABGS materials for the week-long session, but does not include transportation.

Selection of Delegates: Potential delegates for ALABGS must be selected by the high school faculty, not the student body, working with the sponsoring American Legion Family group. In order to be considered, candidates must meet all of the following eligibility requirements at the time of selection:

1. Be enrolled in the junior year of a Wisconsin public, parochial or private high school or home school whether the candidate resides in Wisconsin or a neighboring state.
2. Be interested in government and citizenship.
3. Be academically eligible and recommended by their school to participate.
4. Have outstanding qualities of leadership, good moral character, cooperativeness, dependability, and participation in extracurricular activities.
5. Have good health and be physically fit.
6. If the considered applicant has a disability, whether the handicap is temporary or permanent, a supplementary written application is required to the Executive Director, ALA Badger Girls State, PO Box 140, Portage, WI 53901.

On-line Registration: Schools will receive an initial ALABGS mailing in October. Sponsored schools will receive on-line registration instructions after the reservation deadline. Delegates should then register immediately. It is the responsibility of the selected candidate or school’s counselor to register with department headquarters. After the selected delegate has registered online, the sponsor will receive their delegate’s contact information

Refund Policy: A full refund of the delegate/alternate fee will be issued to sponsors who notify department headquarters of the cancellation and request the refund prior to April 15th. Cancellations and refund requests postmarked or emailed after April 15th will be assessed a $50 processing fee for each delegate reservation cancellation, resulting in a partial refund issued to the sponsor. NO REFUNDS will be issued after May 1st. There is an appeal process in special cases regarding refunds. The Executive Director will handle appeals on a case-by-case basis.
Medical Info: A google form is available on the ALABGS website (www.alabgs.org). Details on how and when to turn it in will be sent out by the ALABGS Administrative Coordinator by February of each year. Each delegate is advised to make a copy for their personal records.

Orientation: It is strongly recommended that all delegates, alternates, parents, school faculty, and sponsors watch the online ALABGS orientation. This provides an opportunity to be better prepared and details expectations for the ALABGS session. The orientation will be posted on the ALABGS website (www.alabgs.org) and a short online quiz will verify the participant’s knowledge after the orientation.

Delegate Session Information: Session information for ALABGS delegates is posted on the ALABGS website (www.alabgs.org) around March 1st. Delegates should print this information, review with their families, and watch an orientation to address any questions or concerns.

AUXILIARY EMERGENCY FUND

A Brief History - The Auxiliary Emergency Fund (AEF) initially came from an estate inherited from an American Legion Auxiliary member, Mrs. Helen Colby Small of Wisconsin. By action at the national convention in Houston, TX (1971) the proceeds from this inheritance were designated to fund this project. The fund is perpetuated by the contributions from units through their departments. Units are encouraged to make donations to this fund.

The purpose of the AEF is to provide temporary emergency financial assistance to members in need and promote awareness and knowledge of the program, raise funds, and disseminate information about its application process. Applications are available on the national website or by contacting the Department Secretary. Applicants should also make every effort to secure help from local, state and federal agencies.

The unit AEF chairman should be aware of the following rules:
1. Persons must have been members of the American Legion Auxiliary for at least the immediate past two consecutive years AND their current membership dues are paid (three consecutive years’ dues) to be eligible to apply for emergency assistance.
2. Assistance is available to eligible members during a time of financial crisis when no other source of aid is readily available to pay for shelter, food and utilities.
3. Assistance is available for food and shelter to eligible members related to weather-related emergencies and natural disasters.
4. Assistance will not be granted to pay medical expenses or credit card debt.

CHILDREN & YOUTH

The purpose of the Children and Youth program is to protect, care for and support children and youth, particularly those of veterans and military families. The program includes developing, implementing and monitoring programs and activities that contribute to the physical, mental and emotional health and wellness of children and youth of military families. Each unit is encouraged to work with their Legion Family to develop activities beyond the national Auxiliary-supported programs/activities, and to support implementation of Children and Youth programs of The American Legion. Although it receives special emphasis during the month of April, the Children and Youth program is a year-round activity.

Units are encouraged to submit nominations for the Youth Hero Award and Good Deed Award. These awards are presented throughout the year to recognize the heroism and helpfulness of youths under the age of 18. To be eligible for a Youth Hero Award, the individual must have demonstrated a physical act of valor and served as an inspirational role model for the organization and the community.
To be eligible for a Good Deed Award, the youth must have donated time and/or money for a worthy cause and served as a great example of community service. Nomination forms are available from the department chair or may be downloaded from the department or national websites. Unit nominations should be submitted to the Department Secretary who will certify and forward the information to the national chair for consideration.

Units are encouraged to financially support the Veterans & Family Assistance Fund as donations can be used to assist dependent children of Wisconsin veterans. Contributions may be taken from the Poppy Fund and/or from the General Fund.

Further information is available through the unit mailings, the Wisconsin publication, the district and department chairmen, and postings through the department website (www.amlegionauxwi.org) or the national website (www.ALAforVeterans.org).

**CHILD WELFARE FOUNDATION**

The purpose of the Liaison to Child Welfare Foundation is to educate members and the general public about the Child Welfare Foundation and its mission, and to provide financial assistance to The American Legion in their efforts to award grants to nonprofit organizations whose primary function is to educate the public about the needs and care of children across the nation.

Not all American children grow up inside the comfortable definition of normal childhood development. For thousands, each day is a challenge marked by pain, prayer and perseverance. Many of these youngsters require specialized care and need help to overcome their obstacles. The American Legion Child Welfare Foundation accepts proposals from nonprofit organizations for projects that contribute to the physical, mental, emotional and spiritual welfare of children through the dissemination of knowledge about new and innovative organizations and/or their programs designed to benefit youth.

Further information is available through the unit mailings, the Wisconsin publication, the department chair, and postings through the department website (www.amlegionauxwi.org) or the national website (www.ALAforVeterans.org).

**COMMUNITY SERVICE**

The purpose of the Community Service program is to mobilize the American Legion Family, the veteran and military community, and the general population of the community to provide services directed to veterans, active duty service members, and their families.

This program includes development, implementation and monitoring of community service activities that promote economic security and offer assistance for veterans, active-duty service members and their families, and the homeless veteran while positioning the American Legion Auxiliary as a one stop shop organization to assist them in meeting their needs. Auxiliary units should encourage the public to assist in this endeavor.

Further information is available through the unit mailings, the Wisconsin publication, the district and department chairmen, and postings through the department website (www.amlegionauxwi.org) or the national website (www.ALAforVeterans.org).

**EDUCATION**

The purpose of the Education program is to promote quality education for children and adults through classroom activities, literacy programs, scholarship promotion, support education beyond high school especially for military children, and assist female members of the American Legion Auxiliary through the M. Louise Wilson Educational Loan Fund. The Education program includes focused attention on educational and scholarship opportunities for military children, whether their parents are active duty or reserve; education of school administrators about the unique mental health issues facing children of our military; enhancing respect for the sacrifices of our military heroes among school children by scheduling Veterans in Community Schools programs; and supporting veterans to pursue higher education and vocational education.

**M. Louise Wilson Educational Loan Fund**

**A Brief History** – On February 4, 1925, the Executive Committee of the American Legion Auxiliary, Department of Wisconsin, established the M. Louise Wilson Educational Loan Fund with the sum of $200.00. Since 1925 the maintenance and growth of the fund has been entirely dependent upon the repayment of loans and voluntary contributions from units and friends of the American Legion Auxiliary.

The purpose of the fund is to aid women veterans and female members of the Wisconsin American Legion Auxiliary to attain a higher education. An interest-free loan of $800.00 may be paid annually and can be renewed for up to five years, for a total loan limit of $4,000.00, to women enrolled in college on a full-time basis. There shall be no interest charged unless the loan is in default.

The usual time for processing a loan is approximately one month. All loans must be co-signed by a responsible party, usually a parent or guardian.

Contact the Department Education Chairman for an application and additional information.

**GENERAL RULES:**

1. Applicant must be a resident of the State of Wisconsin and a female member of the American Legion Auxiliary.
   a. Membership in the American Legion Auxiliary must continue until the loan is paid in full.
   b. If membership is discontinued, no additional loans will be granted.

2. Applicant must be a graduate of an accredited high school with a scholastic average that would place her in the upper half of her class.

3. Application must include:
   a. Copy of the Veteran’s DD-214 discharge paper.
   b. Certified copy of the applicant’s school transcript.
   c. Three letters of personal reference as defined on the application.

4. Successive loans may be granted upon approval by the Department Education Chairman, based on evidence of satisfactory grades. When additional loans are granted, the original loan will be cancelled and consolidated with the new loan.
5. Student must notify the chair upon graduation or withdrawal from full-time academic status.
6. Repayment of new loans originating after August 1, 2016, shall be made in payments of not less than fifty dollars ($50.00) per month, starting within six months after the promissory graduates or ceases to be a full-time academic student.
7. The student and loan co-signer are legally responsible to pay the balance of the loan when due, plus any additional costs or legal fees if the loan is in default and referred for collection.

Further information is available through the unit mailings, the *Wisconsin* publication, the Department Education Chair, and postings on the department website (www.amlegionauxwi.org).

**JUNIOR ACTIVITIES**

The purpose of Junior Activities is to interest eligible young women under the age of 18 in adult membership through positive experiences of mission-based volunteer opportunities that instill the ideals of the organization. Membership eligibility requirements are listed in the membership section of this book. The Junior Activities program encourages participation in service projects that serve our military, veterans and their families; promotes awareness of the various scholarship opportunities through the American Legion Auxiliary; and empowers Junior members by seeking their assistance to increase the use of technology (i.e. email, internet, and social networking sites) in promoting Auxiliary programs.

Junior members do not form a separate organization but are members of the American Legion Auxiliary, grouped separately so they may be offered a program appropriate to their age and level of understanding (Group 1: Infant through 8 years; Group 2: 9 through 12 years; Group 3: 13 through 18 years).

Junior groups function as a committee of the unit, selecting their own chairman, but under the guidance of an advisor. Americanism should be their major activity, but all Auxiliary programs can be adapted for their participation. Details regarding Junior Activities are contained in the *Junior Activities Handbook*, available from the Emblem Sales catalog, 1-888-453-4466 or www.emblem legion.org, or downloaded from the national website (www.ALAforVeterans.org). Other sources of information and assistance are available from the Department Junior Activities Chair or Vice Chair.

Further information is available through the unit mailings, the *Wisconsin* publication, the district and department chairmen, and postings through the department website (www.amlegionauxwi.org) or the national website (www.ALAforVeterans.org).

**LEADERSHIP**

The purpose of the Leadership program is to develop and prepare knowledgeable and capable leaders to carry on the growth and success of the Auxiliary by promoting activities and resources that educate, motivate and mentor members of all ages and at all levels of the organization. The Auxiliary must provide members with opportunities to use their special skills and energy and must constantly look for those with the potential to become leaders of tomorrow. Attention will be focused on senior members to reach out to younger people in the unit’s local community.

Units are encouraged to nominate a Unit Member of the Year to recognize a senior member who is not in an elected or appointed leadership role higher than unit president, exemplifies the values and ideals of the Auxiliary, and whose accomplishments significantly impact the program work in their units.

A half-day Leadership Course conducted by a member of the Leadership Committee is available to all units, counties and districts. The registration cost of the course is $5.00 per person. Leadership Guide Books are available for $5.00 each. Unit, county or district presidents should contact the Department Leadership Chair to request a workshop in their area.

Further information is available through the unit mailings, the *Wisconsin* publication, the district and department chairmen, and postings through the department website (www.amlegionauxwi.org) or the national website (www.ALAforVeterans.org).
LEGISLATIVE

Please remember that The American Legion and the American Legion Auxiliary are non-partisan, without regard to political affiliation.

The purpose of the Legislative program is to provide information and assistance to American Legion Auxiliary members in supporting the legislative agenda of The American Legion with elected officials at all levels of government (local, state, national). All programs are greatly dependent upon proper legislation, so the Auxiliary must be well informed.

Every unit should appoint a Legislative Chair and subscribe to The American Legion Dispatch and encourage as many members as possible to subscribe. The Dispatch is published monthly by the National American Legion and is available online at http://www.legion.org/dispatch.

For contact information and a list of officials go to: https://legis.wisconsin.gov. Members of Congress can also be found at www.senate.gov and www.house.gov.

Members should write to their legislators when asked to put special emphasis on a subject and send copies of the communication and responses received from legislators to the Department Legislative Chair. Responses help The American Legion national headquarters determine congressional opinion on veterans’ issues.

MUSIC

Music is the great universal language. It knows no limitations in time, race, creed or education. Its eloquence can inspire when all else has failed. Unit meetings can have musical programs appropriate to the occasion using unit talent or other musicians including school groups, scouts and/or local church/ gospel choirs. Background music, especially patriotic, can set the mood for Legion Family work projects and fundraisers.

One of the best and easiest ways to bring music into unit meetings is for all members to sing a song or two at the start and/or end of their meetings. If songbooks are not available, have the words typed so that everyone may join in song. Units are encouraged to include the national anthem in opening ceremonies and to use the Auxiliary theme song “To the Auxiliary” or “God Bless America.” If you want a copy of “To the Auxiliary,” please contact the Department Chaplain/Music Chair.

While the Department Chaplain is also the Department Music Chair, this is not a requirement for units where the Music Chair can be a separate position. However, the activities of unit/county/district Music Chairs should be included on the Department Chaplain’s annual year-end reports.

NATIONAL SECURITY

The purpose of National Security is to maintain and promote a strong national defense by strengthening and supporting military service members and their families. This program includes development, implementation and monitoring programs and activities that contribute to the practical, emotional and social well-being of military service members and their families.

This program also includes all activities promoting law and order in our communities, as well as interest in the security of our country. Suggested activities include donations to the USO, promoting safety in the streets, respect for laws and law enforcement personnel, emergency planning, blood donor program, ROTC/ JROTC recognition programs, POW-MIA awareness, supporting the Gold Star/Blue Star banner program, and participating in Operation Homefront and welcome home celebrations.

Units are encouraged to honor all enlisted service members and to submit nominations for the Salute to Servicemember Award to the National Security Chairman by the established deadline.

Further information is available through the unit mailings, the Wisconsin publication, the district and department chairmen, and postings through the department website (www.amlegionauxwi.org) or the national website (www.ALAforVeterans.org).

PAST PRESIDENTS PARLEY

The purpose of the Past Presidents Parley (PPP) is for members who have served as unit, county, district, department, or national presidents to continue in the active service of the Auxiliary to ensure a strong leadership future for the organization. Past presidents at all levels are encouraged to continue
their support to the organization by accepting responsibility that their knowledge and wisdom as a past leader can make a difference in developing and mentoring the life of one member. Past leaders can join the group as ambassadors for the organization, knowing there is much information to share to make each level of the organization stronger and maintain its growth with positive actions.

The PPP is a standing committee of the American Legion Auxiliary. Its objective is the promotion of the activities of the Auxiliary, with special consideration given to female veterans. Eligibility to membership in the PPP is based on two factors: 1) a member must have served as President of the American Legion Auxiliary on the unit, county, district, or department level, and 2) unit dues must have been paid for the current year.

A past president is: 1) a member who served as president for one full year, or 2) a member who served as president for part of the year and who, due to illness or conditions beyond their control, had to terminate their tenure, or 3) any vice president acting as president due to the resignation or death of the president. Note: If presidents succeed themselves in office, they are considered a past president after the end of their first term and may then join the PPP.

The PPP recognizes the contributions of valued unit members through the Mentor of the Year award and assists deserving students who are pursuing an education in nursing or healthcare fields through the scholarship program. The Wisconsin PPP currently awards up to three scholarships to qualified applicants who need financial assistance to complete their education in the nursing or healthcare fields.

PPP scholarships are funded by PPP dues and donations from individuals, units and parleys, minus PPP expenses. Any unit or member can donate to the PPP Scholarship Fund. Continued support of these scholarships is dependent on the amount of money raised through PPP dues and donations. In the fall of the year, each unit receives a form to submit to department headquarters with the names and PPP dues of the past presidents who are current members of the unit.

Further information is available through the unit mailings, the Wisconsin publication, the district and department chairmen, and postings through the department website (www.amlegionauxwi.org) or the national website (www.ALAforVeterans.org).

CAVALCADE OF MEMORIES

The purpose of the Cavalcade of Memories is to preserve, display and share the history of the American Legion Auxiliary so we can continue to honor those members who have made significant sacrifices for our organization and build on their experiences. The Cavalcade of Memories repositories can also act as a resource for members, volunteers and the general public. It is suggested that units have some type of Cavalcade of Memories.

Following their term of office, each Department President is to donate a memento for the Cavalcade of Memories cabinets and an ornament to be placed on the Department Presidents’ Christmas tree at department headquarters.

The Past Presidents Parley Chair is responsible for updating the Cavalcade of Memories. Past Department Presidents’ treasures are identified in the cabinet with name and year served. A permanent record is kept at department headquarters with the name of the president, year served, description of the memento, and the president’s theme.

POPPY PROGRAM

The purpose of the Poppy Program is to honor veterans for their service and sacrifice by promoting the circulation of the poppy, educating all people of the poppy’s history, and the significant financial benefit realized by our nation’s veterans as a result of its distribution. Efforts should be made to increase unit poppy revenues and the number of poppy makers for department.

ALA units and Legion posts are encouraged to distribute poppies in their local communities and surrounding areas if there is no other active Legion Family presence. The Legion Family should respect neighboring units and posts’ privilege to distribute poppies in their respective areas and work towards a spirit of cooperation.

The Little Miss Poppy Contest (ages 6-12) and the Poppy Poster Contest are under the direction of the Department Poppy Chair.
Further information is available through the unit mailings, the Wisconsin publication, the district and department chairmen, and postings through the department website (www.amlegionauxwi.org) or the national website (www.ALAforVeterans.org).

POPPY SHOP

The Poppy Shop is under the direction of the Department Executive Secretary-Treasurer. The Poppy Shop is responsible for maintaining poppy supplies, inventory control, shipping poppy orders, and securing and instructing poppy makers. If you know a veteran who is interested in making poppies, please contact department headquarters.

Poppy orders:
1. Small poppies are sold in bundles of 100 for $25.00.
2. Large poppies are sold for $1.65 each and must be pre-ordered. Orders for large poppies will be processed after December 15th and every effort will be made to ship them by April 15th.

There is no guarantee that orders received after December 15th will be filled.

Poppy Profits:

1. Previous resolutions regarding the poppy program are rescinded because they are superseded by Resolution No. 20 approved at the National American Legion Executive Committee meeting on May 8-9, 2013.
   a. Funds derived from poppy distributions shall only be used for: the rehabilitation of veterans honorably discharged from the United States Armed Forces after April 6, 1917; the welfare of the families of veterans of the above named period; the rehabilitation of hospitalized military service personnel returning home and awaiting discharge who require treatment in service hospitals; the welfare of veterans, active military personnel, and the families of veterans and active military personnel of the above named period where financial and medical need is evident.
   b. Funds collected prior to May 8, 2013, are to be used per previous guidelines and do not include active duty service members or their families.
   c. Funds collected after May 8, 2013 may be used for active duty military and families meeting the conditions stated.

2. Department Convention action in 1928 mandated that 20% of poppy profits be sent to American Legion Auxiliary department headquarters for use in department Veterans Affairs & Rehabilitation and Children & Youth programs (10% to each program).
   a. Executive Board action in October 1991 mandated that American Legion posts are not allowed to order poppies if 20% of the poppy proceeds have not been sent to the American Legion Auxiliary department headquarters from their previous order.

3. To avoid misunderstandings, the division of poppy profits between a unit and post should be made after poppy day expenses and the 20% to department have been paid. Eighty percent (80%) of the profits derived from distributions stay with the unit and/or post for use as detailed in Sections 1a-1c.

4. Department Bylaws provide that two separate fund records must be maintained, a general fund and a welfare fund; however, they may be kept in one account. All poppy profits shall be placed in the welfare fund (Veterans Affairs & Rehabilitation and Children & Youth) and used for veterans/active duty service members and children’s service work.
Although the following is not a comprehensive list, Poppy Funds CANNOT be used for:

1. Any general operating fund of a department, unit or post.
2. Compensation for any volunteers who distribute poppies.
3. Any community service project that does not strictly benefit the welfare of an individual veteran, military service member, or the welfare of his/her immediate family and dependents.
4. General maintenance, beautification or improvement projects of American Legion or Auxiliary facilities, including adding ramp(s) to a post home.
5. Investments, even those that would bring profit to the unit or post.
6. POW/MIA programs.
7. Memberships, including other veteran support organizations such as Gold Star Mothers.
10. Flags or flagpoles.
11. Scholarships which do not restrict eligibility solely to military service members or their children, or where the financial need is not evident.
12. Mileage, travel or lodging expenses; registration or conference fees; or costs incurred by a person – including ALA members, volunteers and staff – to attend any meeting, conference or event about veterans.
13. Attire or uniforms used by volunteers or staff in promoting or conducting ALA program activity or business.
14. Projects involving the general public as well as veterans and their families. Money for these projects must be expended from the general fund.

Suggested Uses of Poppy Funds:
Use of poppy fund is allowable for care packages but only when it is for a welfare need such as first-aid topical treatment or vital hygiene items, and not comfort/leisure items such as baked goods or books.

For suggested projects that may be supported by the Poppy Fund, please refer to the current Poppy Funds Suggested Donation sheet available on the department website (www.amlegionauxwi.org).

Poppy day supplies are available from Emblem Sales at (888) 453-4466 or www.emblem.legion.org.

Further information is available through the unit mailings, the Wisconsin publication, the district and department chairman, and postings through the department website (www.amlegionauxwi.org) or the national website (www.ALAforVeterans.org).

PUBLICATIONS

National American Legion Auxiliary Magazine
The Auxiliary magazine published by the national organization includes valuable information on our programs from the national chairs. All senior members receive the national magazine publication as a benefit of membership.

Subscriptions to the national magazine can be purchased by the unit and placed in the waiting rooms of doctors, dentists, businesses, and also the local public library. This is an easy way to educate the public and promote our organization to them.

Wisconsin Publication
One of the greatest channels of information to our membership is our bi-monthly newspaper – the American Legion Auxiliary Wisconsin. The Wisconsin is included within The American Legion’s Badger Legionnaire publication. It is the link between department and all senior members. The Wisconsin publication highlights our programs, contains valuable information for unit operation, and can be shared with the community. It is important to the success of the ALA that members receive and read the publication. Members should advise department headquarters of all address changes via a Member Change Form.

All articles for publication are to be emailed directly to department headquarters, Attn: Editor (alawi@amlegionauxwi.org). Pictures must be received in .jpg format. Articles will be published at the discretion of the editor when space is available.
Members should advise Auxiliary headquarters if they are receiving more than one issue per household or wish to opt-out of receiving the printed edition and will view the Badger Legionnaire/Wisconsin publication online. Online subscriptions significantly minimize costs and allow the American Legion and American Legion Auxiliary to use funds more efficiently. All issues of the Wisconsin are posted on the department website.

PUBLIC RELATIONS

The purpose of Public Relations is to work collaboratively with all levels of the organization to create, implement and support a proactive communications network that positively projects the American Legion Auxiliary's image to the general public while advancing our mission and goals through a variety of materials and resources available to departments and units online.

Internal Communications:
The job of the Public Relations Chair is not just to promote the American Legion Auxiliary in our communities but also to keep our members informed. The Public Relations Chair should be included in the planning of all programs and events, as well as potential newsworthy happenings involving unit leadership.

The goal is to utilize all forms of communication and media to inform and educate our members about new and existing programs. Use the national and department websites as resources for information (www.ALAforVeterans.org; www.amlegionauxwi.org). Effective and frequent communication keeps members motivated and active.

External Communications:
The goal of all external communications is to use the Auxiliary emblem and branding to build public awareness of our organization. Electronic images are available from department for use on printed publications and media. For appropriate use of the American Legion Auxiliary emblem or brand mark, please refer to that section of the Red Book.

Public Relations Chairs should also focus on increasing community awareness of the many programs the Auxiliary has to offer. Utilize the brochures available from department, national, and Emblem Sales to show how Auxiliary programs benefit veterans, servicemen and women, military families, children, youth and local communities.

The American Legion Auxiliary has a public image based on integrity, action and commitment to our purpose. That image is a product of the organized efforts of the Public Relations Chairs and individual members to spread the word about our organization and programs, as well as everyday contacts of Auxiliary members with the public in the name of the Auxiliary.

Although the words ‘public relations’ and ‘publicity’ are often used interchangeably, there is a difference. Public Relations is broad-based and covers all spontaneous events, planned promotions and interviews, as well as public observation and response to Auxiliary activities. Publicity is just one facet of public relations and includes planned events or promotions that are promoted through the media. In such coverage, the Public Relations Chair can exercise more control over the content of the message and the timing of the release. A good public relations program offers one thing that advertising can never provide with assurance: credibility.

VETERANS AFFAIRS & REHABILITATION

District Veterans Affairs & Rehabilitation Chairs are listed on the department website under Program Info (VA&R).

The purpose of this program is to initiate, sponsor and participate in programs and services that assist and enhance the lives of veterans and their families, ensuring restoration and/or transition to normally functioning lives – physically, mentally, socially and vocationally. This program includes bringing awareness to the plight and ever-increasing number of homeless veterans, supporting rehabilitation of veterans through art therapy by raising money to fulfill our obligation as a corporate sponsor of the National Veterans Creative Arts Festival (NVCAF), and increasing volunteer services at VA Medical Centers, State Veterans Homes, in community settings, and from their homes.
Unit donations provide the means to carry out this program. The hospital program covers VA medical centers in Milwaukee, Tomah and Madison; Wisconsin Veterans Homes in Chippewa Falls, King and Union Grove; Associate Hospitals in Minneapolis, Minnesota and Iron Mountain, Michigan; and Dayton Care Center in Kenosha. Special projects are carried out at each facility and are made possible through the donations of unit and post 20% poppy profit proceeds.

Use the current suggested donation forms to send donations. The items listed on the donation forms are updated annually based on current needs. Indicate the amount donated to each fund. Attach a check or money order made payable to ALA-WI and mail to: ALA Department Headquarters, PO Box 140, Portage, WI 53901-0140. Additional donation forms may be obtained from department headquarters or downloaded from the website (www.amlegionauxwi.org). Do not send cash!

**VA&R - CHRISTMAS GIFT SHOP**

The Christmas Gift Shop program provides gifts to family members of hospitalized veterans at no cost to the veterans. The Christmas Gift Shop Supervisor develops a ‘catalog’ of available items for the veterans to choose from and purchases the selected items. Volunteers wrap, box, label and ship the orders for each family to arrive in time for Christmas. This is a gift to those who gave of themselves so that we may enjoy our freedom today.

The Christmas Gift Shop is no longer located at Zablocki VAMC due to lack of space. Therefore, donated items cannot be accepted but units are encouraged to make financial donations. Checks should be made payable to ALA-WI and mailed to: ALA Department Headquarters, PO Box 140, Portage, WI 53901-0140 indicating it is to be used for the Christmas Gift Shop. The Christmas Gift Shop is solely funded by donations from units and members throughout Wisconsin.

**VA&R - HOMELESS WOMEN VETERANS PROGRAM**

The Homeless Women Veterans program is designed to reach out to women veterans and help them learn about VA benefits, local resources and where to find them, while continuing to educate our members and our communities of the sacrifices women veterans make when serving our country and the hardships they face after returning home.

A grant fund provides assistance to women veterans who are homeless or at-risk of being homeless. Funding is provided through donations from members of the Wisconsin American Legion Family.

The following guidelines for receiving a grant have been established:

- Grant is for one-time only assistance.
- Veteran must be an honorably discharged woman veteran.
- Grant can only be used for direct assistance of a homeless or at-risk of being homeless woman veteran and her immediate family, who have been residents of Wisconsin for at least 30 days.
- A veterans benefit representative or knowledgeable sponsor must complete the application and submit it to department headquarters with a copy of the veteran’s DD214, a financial worksheet, and a narrative.
- Veteran must be participating in a VA support program.
- Grants are paid directly to a vendor, supplier or landlord, not to the veteran.

A committee comprised of the Department President, Department VA&R Chair, and Department Finance Chair reviews all applications.

American Legion Auxiliary members are encouraged to be a connection to women veterans in their communities, often providing local support with in-kind donations of food, clothing, household furnishings and supplies, transportation, knowledge of veteran benefits and veteran representatives, finding and recommending local resources, and that often needed smile of encouragement and friendship.

Further information is available through the unit mailings, the Wisconsin publication, the Department Chair, and postings through the department website (www.amlegionauxwi.org).
VA&R - HOSPITAL VOLUNTEER PROGRAM

Volunteer hospital workers are key people in the Hospital Volunteer Service program. The purpose of this group is to supplement the care given by hospital staff to hospitalized veterans. A regularly scheduled volunteer hospital worker is a member of the American Legion Family or a non-affiliated individual who volunteers at a VA medical center.

Hospital volunteers must take the Veterans Affairs Volunteer Service orientation, pass a background check, and be able and willing to work as a member of the hospital team under the direction and supervision of doctors, nurses, technicians and specialists to help patients regain their health. A hospital volunteer is relied upon to carry through on assignments and will serve on an approved regular schedule of assignment under VA supervision at least once a month.

Hospital volunteer pins are awarded upon the completion of 50 hours. Add-on bars are available for 100, 300, 500, 1000 hours, etc. For further information, please contact the department Director of Hospital Volunteers.

VA&R Code of Ethics:

Because of the vital role each of our volunteers plays in the successful care and rehabilitation of our veterans, the American Legion Auxiliary has adopted this code of ethics:

1. **Confidentiality**: All information concerning a patient, staff person, other volunteer, or the record of treatment or service is to be kept confidential and shared with no one.

2. **Professional Behavior**:

   a. **Following Rules & Assignments**: Volunteers are required to accept and follow rules and instruction as given by the authority of the facility. If asked to do something you do not agree with, you have a right to decline the assignment. If the assignment is mission critical at the point in which it is given, fulfill the request and express concern after the fact, in private with the appropriate individual – the direct supervisor, the ALA Representative or Deputy, or the VAVS Director.

   b. **Working with Staff, Patients and other Volunteers**: Volunteers should not publicly criticize the facility, the staff, patients, personnel, owners or physical plant of any facility. If there is a reason for criticism, bring it to the attention of the ALA Representative who will communicate any issues through proper channels. If the problem is not resolved, the Representative should send a report to the American Legion Auxiliary Department VA&R Chair.

   c. **Compensation Discussion**: Volunteers should never discuss pension or compensation issues with a patient. The patient should be referred to the appropriate resource within that facility that is trained to respond to those questions. Outside a facility, contact a local Veterans Service Officer.

3. **Dress and Attitude**: It is expected that ALA volunteers will dress professionally and follow the code of the facility where they work, regardless of their setting.

4. **Compassion, Dignity and Respect**: As an ALA volunteer, those served will be treated with the compassion, dignity and the respect they have earned and deserve, regardless of the conditions or circumstances.

VA&R - SERVICE TO VETERANS PROGRAM

Service to Veterans volunteers provide service to veterans, service members and their families outside a VA medical center. Volunteers conduct projects and work for veterans, military personnel and/or families from their homes and in their communities. Service to Veterans volunteers maintain their own record-keeping and dollars spent and report this information to the Service to Veterans Chair in their unit, who then reports the hours annually to the department Service to Veterans Chair. A pin reflects the work of those who volunteer in their communities and at home for veterans. Hour bars are awarded when specific hour milestones are achieved: 50, 100, 300, 500 and 1000 hours.

NATIONAL AMERICAN LEGION AUXILIARY FOUNDATION
The national American Legion Auxiliary Foundation positively impacts the lives of our veterans, military, and their families by funding programs of the American Legion Auxiliary. The monies of the ALA Foundation mission endowment fund are permanently restricted so that future generations may benefit from ALA programs that support all of our veterans and promote education, good citizenship, and outreach to veterans facing tough challenges.

Donations today help ensure the Auxiliary will be here to help veterans tomorrow. Donations should be submitted using a General Fund Suggested Donation Sheet and forwarded to Department Headquarters.

Additionally, it is suggested that memorial donations be made to the American Legion Auxiliary Foundation Endowment Fund through department headquarters in honor of deceased members. The name and address of the donor, name of the deceased, name and address of the next of kin where an acknowledgement may be sent, and The American Legion Post or Auxiliary Unit number should accompany memorials and donations of any size.

NATIONAL CONVENTION

1. The immediate past Department President, the newly elected department officers including Department President, Senior Vice President, First and Second Vice Presidents, Central Division National Vice President candidate (when applicable), Historian, Chaplain and Executive Secretary-Treasurer shall be delegates to the national convention. The Central Division National Vice President candidate would have priority as a delegate the year in which the election is held at the national convention, before the Department Historian, Department Chaplain or Executive Secretary-Treasurer.

2. District Presidents may be delegates to the national convention if there are available delegate opportunities. A district president who cannot attend the convention forgoes representation for the district. If there are not sufficient delegate positions open for all district presidents to be delegates, priority will be given to district presidents from odd numbered districts in odd numbered years and district presidents from even numbered districts in even numbered years, based upon their membership standing as of 30 days prior to department convention. District Presidents not assigned as delegates would have their names placed on the alternate list as the first priorities for delegate designation.

5. Each of the twelve districts may nominate alternates to the national convention at the district level. The nominee selection process shall be determined at the discretion of the district, possibly at their spring or fall conferences, or by executive action. Names of nominees shall be sent to department headquarters as soon as selected and no later than July 1st. There shall be no nominations from the floor and election of alternates shall be held at a designated time during department convention and named in order of plurality count.

6. No alternates elected at department convention shall be named to fill vacant positions until all delegates and alternates have been selected according to the above priorities.

Section 2. The Department Executive Secretary-Treasurer shall be the delegation secretary to the national convention. The immediate Past Department President shall complete all department plans for the convention, shall preside at the Wisconsin caucus and shall serve as Delegation Chair. In the event the designated Delegation Chair is absent for any reason, the Department President shall be the acting chair.
Section 3. All delegates to the national convention must attend all sessions of the convention unless illness prevents. Should this occur, the delegate not in attendance must file in writing with the delegation secretary the reason for the absence. It shall be the duty of the delegation secretary to see that roll is taken at each session and missing members held to account. An absent delegate must forfeit 10% of the expenses being paid by the department for each missed session.

Section 4. Delegates shall receive a stipend for convention as determined annually by the Finance Committee.

Section 5. The Finance Committee may allocate a stipend to help defray expenses of convention attendees who are not delegates if they are attending in an official capacity.
